*Re: FOIA request relating to Windsor Minerals, Inc. mining and milling sites in Vermont*

Dear FOIA Coordinator:

This is a request under the Freedom of Information Act. I am seeking any reports, surveys, inspections, correspondence, photos, maps, engineering plans, and other related documents that pertain to mines and mills formerly owned by Windsor Minerals, Inc. These documents could have been for remediation, reclamation, permits, grants, or otherwise. The relevant time period is from 1970-2016. Windsor Minerals, Inc. was a subsidiary of Johnson & Johnson until 1988 when it was sold to Cyprus Minerals. Cyprus Minerals was later acquired by Luzenac which later became Imerys. Windsor Minerals, Cyprus, Luzenac, or Imerys may all be mentioned in documentation, depending on the year of the document.

The mines and mills formerly owned by Windsor Minerals, Inc. are located in the region between Ludlow and West Windsor, VT. This request is for the following properties:

1. Windsor Mine (a.k.a. Hammondsville Mine, West Windsor Mine, Reading Mine)
  - a. East of VT Route 106 in Hammondsville, near the intersection of Baileys Mills Road
2. West Windsor Mill
  - a. Located at or near 4969 VT Route 44, West Windsor, VT
3. Columbia Mill (a.k.a. Ludlow Mill, Windsor Minerals Processing)
  - a. Located at or near 73 East Hill Road, Ludlow, VT
4. Frostbite Mine
  - a. Directly south of Columbia Mill, east of East Hill Road
5. Argonaut Mine (a.k.a. Clifton Mine, Rainbow Mine, Ludlow Mine)
  - a. Directly south of Columbia Mill, east of East Hill Road

If this request is best fulfilled through an on-site review of documents, let me know a time and place that is best suitable for your department. I understand that this request may take a while to review and locate

appropriate documents. If a prolonged review is necessary, please provide an approximate date of completion.

I am willing to pay fees for this request up to a maximum of \$250. If you estimate that the fees will exceed this limit, please inform me first. You can contact me at 212-605-6252 if it is necessary to discuss any aspect of my request. Thank you very much for your assistance.

Best regards,

Tony Bulleri
